First preference is given to returning students.

Currently enrolled students who do not enroll by June 30th are not guaranteed acceptance for the upcoming school year.

Preference is given to applicants whose siblings attend NY Smart Start and satisfy the above criteria. Remaining spaces will be filled during open enrollment. All candidates are carefully considered. No student has the right to re-enrollment. All applications for re-enrollment are approved at the sole discretion of the school's administration.

We strive to make a fair decision based on the services that our school can provide for each child, as well as what the student can contribute to our school.

We set high goals for our students, and we expect them to work hard and strive to reach their potential with the support of their parents/guardians.
